

Implementation guide to connect your LinkedIn account to Adcredo.

Creating LinkedIn ads using Adcredo is a seamless process designed to save you time and enhance your marketing results. Follow these steps to connect your LinkedIn account and start creating impactful ads effortlessly.

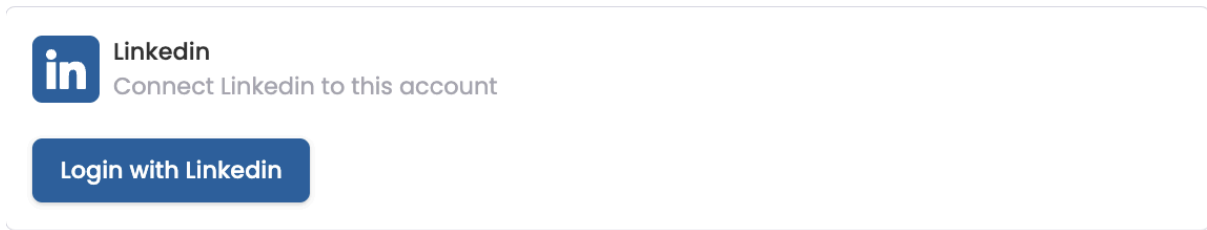

Step 1: Login to Adcredo:

Go to the Adcredo platform and log in with your credentials.

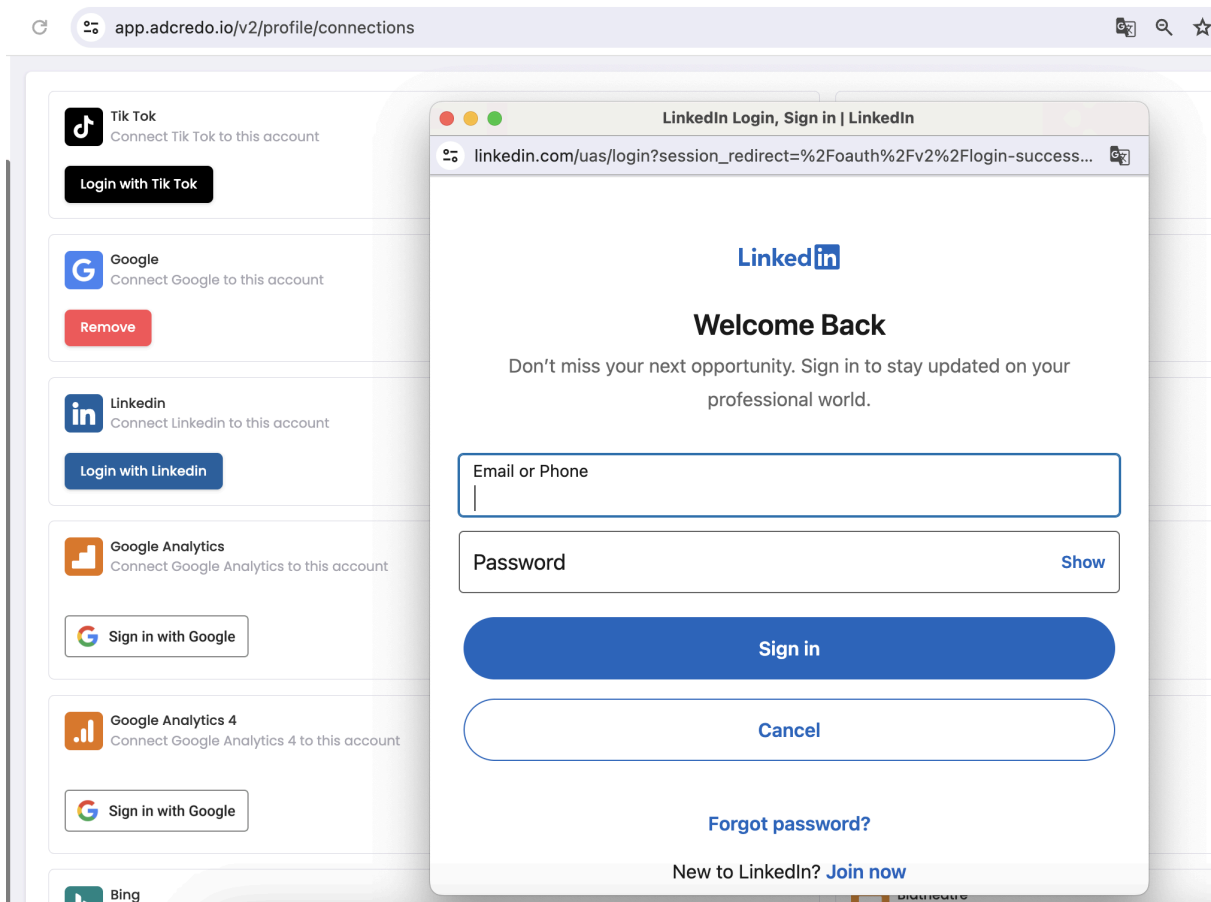

When logged in to the Adcredo platform click connections (<https://app.adcredo.io/v2/profile/connections>) in the left side menu.

In connections click Login with LinkedIn.

Then just login with your usual credentials for LinkedIn.

And now your LinkedIn account is connected to the Adcredo Platform.
